

# Rapid Chapter Launch LDC2 Recorded Training Links

Our hope is that Launch Directors attend these trainings live to enhance their learning experience and we understand that is not always possible. Here you will find links to BOTH the BNI Business Builder Resources area AND the direct link to Zoom. *The recordings are the same.* Alternatively, you can find them in the BNI Business Builder > Resources > Launch Director Resources folder.

\*This list will be updated as new recordings become available.
